

# The University of Hong Kong Public Health Alumni Society Emergency Assistance and Relief Fund ("HKUPHAS EAR Fund")

#### **GUIDELINES**

## **Description**

The University of Hong Kong Public Health Alumni Society Emergency Assistance and Relief Fund ("HKUPHAS EAR Fund") provides limited, one-time financial assistance to students at the School of Public Health, the University of Hong Kong ("the School") who are facing a temporary financial emergency or catastrophic event which may prevent them from continuing their education.

## Types of Expenses that May Be Covered

The emergency is defined as "a circumstance that jeopardizes a student's ability to meet his or her basic needs and requires immediate financial support". Typical expenses covered include, but are not limited to:

- essential medication or other health-related expenses;
- overdue rent and utilities, or other essential household expenses;
- stationeries or other essential academic expenses;
- replacement of essential personal belongings due to natural disaster, fire, theft, or other unforeseen circumstances;
- travel costs related to a death or serious illness in the immediate family; and
- daily transportation costs.

However, the expenses would not covered for:

- non-essential costs;
- payment of court fines, hire purchase or any debts accumulated by the applicant prior to enrolling at the School.

Decisions regarding disbursement of funds are made on a case-by-case basis.

# **Eligibility Requirements**

The applicant must

- be a registered full or part-time student currently enrolled in Bachelor of Science (Exercise & Health), Master of Public Health and/or Research Postgraduate Programmes at the School;
- show that the limited assistance available from the HKUPHAS EAR Fund is sufficient to enable them to continue with their programme of study; and
- provide sufficient documentation to show genuine financial hardship and that no other avenues of financial assistance is available within the university or externally.

#### Nature of the Fund

- Grants from HKUPHAS EAR Fund are needs-based and assessed on an individual basis.
- Awards are not considered loans and are to be made in the form of non-repayable grants.
- Applicants' existing financial aid will be taken into consideration in determining any award.

# **Application Procedures**

- Complete the application form and return it to HKUPHAS office along with the supporting documents listed within the form
- HKUPHAS will arrange a short confidential interview with the applicant. The interview may be informal and will give the applicant the opportunity to discuss his/her individual needs and circumstances in detail.
- There will be no clear indication of the likely value of any possible award until an application is submitted and the assessment process is completed.
- Applicants may be required to provide additional information or take further steps as part of the assessment.
- If the application form is completed accurately and the appropriate documentary evidence supplied, an assessment and decision should be made within 10 working days of the interview.
